I am still in the process of learning and would rather work hard and struggle to gain experience than just agreeing with others opinion. As a passionate designer, I wish to build on the experience gained through my work and try to adapt different perspectives with each project.

WORK EXPERIENCE

- 6 MONTHS INTERNSHIP May - Oct 2019 Residential, Hospitality, Commercial projects. Worked on detailed drawings for GFC along with creative conceptual solutions and designs for better utilisation of spaces. Designed residences as per the rules and regulations, also contributed to presentation drawings for client meetings. Regular site visits for better understanding of spaces as per requirement of the clients and prepared drawings accordingly.

- FREELANCE WORK Nov 2020 - Present 2021
Kitchen renovation, Office at Hazaribagh (Planning, 3D views for better understanding of spaces, working drawing set) Office at Kolkata (Planning and site supervision), Residence at Bihar(Planning)
