PROFILE

art | architecture | sustainability

I am driven by the passion and faith that architects can shape a sustainable future.

With a key interest in building physics, efficient passive and active design strategies, I look forward to learning and contributing to the field of high-performance built-environment and construction.

If not at the workstation, you might find me near a canvas!

TECHNICAL SKILLS

1 5
● ● ● ● ●
● ● ●

Drafting
AutoCAD
Revit

● ● ● ●
● ● ● ●
